

5. Merit List for Admission:

As explained earlier, a candidate who appears in the first session or both the sessions of BITSAT-2024 is eligible for admission only if he/she gets the required minimum marks in the Physics, Chemistry and Mathematics subjects of 12th examination as per the eligibility criteria described already.

All candidates who appeared in the first or second session or both the sessions of BITSAT-2024 and are interested in admission will be required to submit Admission Application Form with 12th marks and preferences to different degree programmes offered at Pilani, Goa and Hyderabad campuses, starting from 1st June to 28th June, 2024. Admission decisions (Iteration 1 results) will be announced on 3rd July, 2024. Further details about additional iterations will be announced on the admission website.

The merit position of such **eligible candidates (i.e., those who have appeared in BITSAT-2024 and who have submitted the application for admission in the prescribed form with the 12th marks, preferences and the required fees)** will be prepared on the basis of their scores in BITSAT-2024.

There will be two separate merit lists prepared for admission. One for all the programmes except the B.Pharm. and the other only for B.Pharm. programme. The cases of bracketing, if any, will be dealt with as described below.

When the score of two candidates are the same, first their scores obtained in Mathematics / Biology (For B. Pharm.) in BITSAT-2024 will be considered for separating them. If the tie still exists, then their scores in Physics in BITSAT-2024 will be considered for separating them. If the tie exists even further, it is eliminated using their scores in Chemistry. Finally, their PCM/PCB (for B.Pharm.) total marks in the 12th examination will be considered for their separation.

6. Test Centers for BITSAT-2024:

In order to facilitate a large number of students all over India to participate in BITSAT-2024, **apart from Pilani, Goa and Hyderabad** campuses of BITS where it is expected that a large number of students will take the test, the Institute is also planning to offer the tests at dedicated **Test Centers** in several other cities.

*This is a tentative list of centers for Session-1 and Session-2. The list will be finalized based on the number of applications received.

Centers within India: The candidate will be asked to give three preferences and will be allotted one out of these three. Candidates applying for Kathmandu as a center can give two more center options in India.

If a candidate chooses Dubai as a center, he/she will not be asked for any other center preference and will be allotted Dubai center only as per the preference.

The final list of test centers in India and the operating days at each center in India and Dubai will depend on the number of applicants and their preferences and will be announced only after all the applications are received and candidates will be informed of the same through BITS admission website so that the candidates can choose their date and slot for the test as per their convenience and availability of slots in any of these centers.
