test (BITSAT-2025) and will be matched at the time of admission at particular BITS campus. Anyone violating the rules of the test center will not be allowed to continue with the test and will automatically be disqualified.

Syllabus:

The BITSAT-2025 test will be conducted on the basis of NCERT syllabus for the 11th and 12th class. The detailed syllabus is given in the Annexure. Candidates may refer to the NCERT textbooks for the contents. A sample test demonstrating the features of BITSAT-2025 will be made available to the registered candidates at the BITS admission website on which he/she can practice as many times as desired.

4. BITSAT Score Report:

At the completion of the test, the computer will announce the result to the candidate in terms of the number of total correct answers and wrong answers, with the score. After completion of the test, the candidate will logout of the test only after entering the scored marks in the test window. The candidate cannot logout without entering the correct scored marks in the test window. This activity confirms that the student has checked his/her marks before logging out of the test window. The candidate can also **check** the score report at the BITS admission website after a few days of the test date. The candidate can also take a **printout** of the score report for any further usage.

5. Merit List for Admission:

As explained earlier, a candidate who appears in the first session or both the sessions of BITSAT-2025 is eligible for admission only if he/she gets the required minimum marks in the Physics, Chemistry and Mathematics subjects of 12th examination as per the eligibility criteria described already.

All candidates who appeared in the first or second session or both the sessions of BITSAT-2025 and are interested in admission will be required to submit Admission Application Form with 12th marks and preferences to different degree programmes offered at Pilani, K K Birla Goa and Hyderabad campuses, starting from 1st June to 30th June, 2025 (tentative). Further details about iteration results and additional iterations will be announced on the admission website www.bitsadmission.com.

The merit position of such **eligible candidates (i.e., those who have appeared in BITSAT-2025 and who have submitted the application for admission in the prescribed form with the 12th marks, preferences and the required fees)** will be prepared on the basis of their scores in BITSAT-2025.

When the score of two candidates are the same, first their scores obtained in Mathematics / Biology (For B. Pharm.) in BITSAT-2025 will be considered for separating them. If the tie still exists, then their scores in Physics in BITSAT-2025 will be considered for separating them. If the tie exists even further, it is eliminated using their scores in Chemistry. Further, their PCM/PCB (for B.Pharm.) total marks in the 12th examination will be considered for their separation. Finally, the tie is eliminated preferring the female candidate and the oldest application is considered first, in case of further tie.

6. Test Centers for BITSAT-2025:

In order to facilitate a large number of students all over India to participate in BITSAT-2025, **apart from Pilani, K K Birla Goa and Hyderabad** campuses of BITS where it is expected that a large number of students will take the test, the Institute is also planning to offer the tests at dedicated **Test Centers** in several other cities.

Test Centers for BITSAT-2025 (Session-1 and Session-2)*

SI#	BITSAT City	State	SI#	BITSAT City	State
1	Agartala	Tripura	38	Kochi	Kerala
2	Agra	Uttar Pradesh	39	Kolhapur	Maharashtra

36	Kanpur	Uttar Pradesh	73	Visakhapatnam	Andhra Pradesh
37	Kathmandu, Nepal	Kathmandu (Nepal)	74	Warangal	Telangana

*This is a tentative list of centers for Session-1 and Session-2. The list will be finalized based on the number of applications received.

Centers within India: The candidate will be asked to give three preferences and will be allotted one out of these three. Candidates applying for Kathmandu as a center can give two more center options in India.

If a candidate chooses Dubai as a center, he/she will not be asked for any other center preference and will be allotted Dubai center only as per the preference.

The final list of test centers in India and the operating days at each center in India and Dubai will depend on the number of applicants and their preferences and will be announced only after all the applications are received and candidates will be informed of the same through BITS admission website so that the candidates can choose their date and slot for the test as per their convenience and availability of slots in any of these centers. If the candidate does not book the test slot and date during the mentioned period then the system automatically allocates the test date and slot as per the preferences and available dates and slots.

7. Important dates and deadlines[#] (Tentative)

Start of BITSAT-2025 Application	20th January, 2025
